

## GILDED HOUSE NUMBERS

Thank you for your interest in our custom hand-gilded signage for your building! Please review the following pages and follow this easy guide for the design, pricing, and installation of your custom gilded sign:

- 1** Please choose from our Font & Style Options (Page 2)  
You can also provide us with your own custom font or artwork.
- 2** Please choose from our Gilding Options (Pages 3-4)  
This includes choice of material and color (if applicable).  
All prices\* are based on 4-inch high numbers or characters and include material and labor costs.
- 3** (Optional) For an additional cost, you can send us a picture of your door with glass measurements, and we will create a digital rendering of what your signage would look like on your door.
- 4** Once you have sent us your choices for Font & Style and Gilding Option, we will then prepare the Final Artwork (a digital proof) which will be emailed to you for approval.  
We recommend that you print it out to scale and hang it on your door to visualize the final result.
- 5** Once the Final Artwork is approved, we will request a 50% deposit and schedule an appointment to install your custom gilded signage.  
Installment and varnishing is usually completed in one day.\*\*

Please feel free to reach out with any questions or concerns you might have.
